Our captain, first mates, and other officers, the faculty, have guided our ship, R. H. S., on another voyage. They sponsored our clubs and organizations, taught our academic and vocational classes, coached our athletic events, directed our musical activities, and influenced our lives in many other ways. Our interests were put before theirs when they relinquished their leisure hours to advise us and to chaperone our dances and parties. They did their best to prepare us to take our places in the world of tomorrow. We will always remember them, not only as our teachers, but also as our friends.

# FACULTY

G. LEISEY

## OUR CAPTAIN

All life is but a voyage, or a succession of voyages, each presenting its own problems, its own triumphs, and each opening up new vistas of adventure and understanding. So it has been on your voyage through the public schools — you have had your moments of trouble and doubt, your periods of elation and triumph. School has broadened your vision, increased your interests, revealed new goals, and presented fresh opportunities and challenges. You have known disappointment and elation, discouragement and exaltation, triumph and defeat. Through each successive experience, from each new adventure and challenge has come growth — mental, physical, moral, and spiritual, or social. Ere long you will realize that your high school days have but set the pattern for the days and years that lie ahead. The lessons learned, the strengths developed will ever be present to aid and guide you. Your school, your teachers, and parents trust that they have been sufficient to sustain you in your new voyage.

*Earl A. Master*

Five wins and three losses, the way the Baby Knights' record looked in the 1950 season. After a bad start by losing to Pottsville, 18-0 they recovered and had a winning streak of five games, only to be stopped by Lancaster, 26-6 in the string of the last seven with Phoenixville, Allentown, Shillington, Coatesville, and Muhlenberg High, they scored the most impressive win with Shillington High, 38-0. In the remaining two games with Lebanon High and Hershey Industrial, the Junior Varsity faded to a 1-1 record, int.

For the first time Coaches Mr. C. J. Dunkelberger had the able assistance of Bill Horine, a new member of the R. H. S. coaching staff.

Even though the 1951 swimming campaign was no banner year for R. H. S. swimmers, it had distinction in the fact that Conrad was undefeated in specialty, the breast-stroke. He represented Reading in the District No. 3 meet, Eastern Regional Meet, and State P. I. A. A.

In each one of these contests, he brought home first place, taking second place records which he had set. During the regular season, the Reading aquatics won 4 meets, lost 1, and tied 3. They were beaten by West Reading by 40-26 in both meets, and single victories over DuPont High of Wilmington and Pottstown High. Setbacks were suffered at the hands of Lancaster 44-14, and at Allentown 40-17.

The 1950 Reading High Soccer team had one distinct  
the fact that every game ended in a white-wash, one way  
another. During this odd shutout season, Reading's charge  
under the leadership of Coach Bruce Gehret, won 5, lost  
and tied 2 games. Reading posted double decisions over  
Mohnton, however they split decisions with Bethlehem and  
Jonestown. A single defeat was posted with Girard College  
and deadlocks with Hamburg and Lancaster. Reading went  
through a streak of 5 games in which not a single goal was  
scored against them, this was stopped by a 2-0 setback at  
the hands of Jonestown. In the entire season of 10 games  
only 3 teams scored against Reading and these games Read-  
ing lost. Bruce Gehret's booters outscored their opponents  
with 9 goals to 7 and had 2 scoreless ties.

Success is due mainly to Charles Kenny, Steve and  
Flamparis, and John Reusing, along with every member of  
a good defensive and offensive soccer team.

Reading's thinclads, under the able coaching of Russ Boyles, have put another winning season under their belts. The season was highlighted by the winning of the District No. 3 P. I. A. A. championship crown for the third straight year. The hustling lads of Reading captured third place in the conference and eighth in the state meet.

Reading's speedster ran over Lansdale, William Penn, Mount Carmel, and Lebanon, and came through with a one point decision over Coatesville. The harriers were reversed by Pottsville and Williamsport.

Extra cheers go to Kenny Lawrence, Ralph Graffius, John Body and Dale Gaul, whose outstanding records deserve extra merit. Here's hoping that next season will be an even better one for Coach Boyles' harriers.

# CHEERLEADERS

Sponsor—Mrs. Myrtle Boltz

Give a cheer! Yes, a good loud cheer to a grand group of girls who deserve our praise. Both the varsity and junior varsity teams were drilled by Mrs. Myrtle Boltz with Ann Lou Rohrbach leading the varsity and Barbara Swartz and Marion Muntz leading the junior varsity. In fact, the effort of the teams in games played abroad and at home would have been so successful if it had not been for these peppy cheerleaders who urged them on through smooth and rough seas.

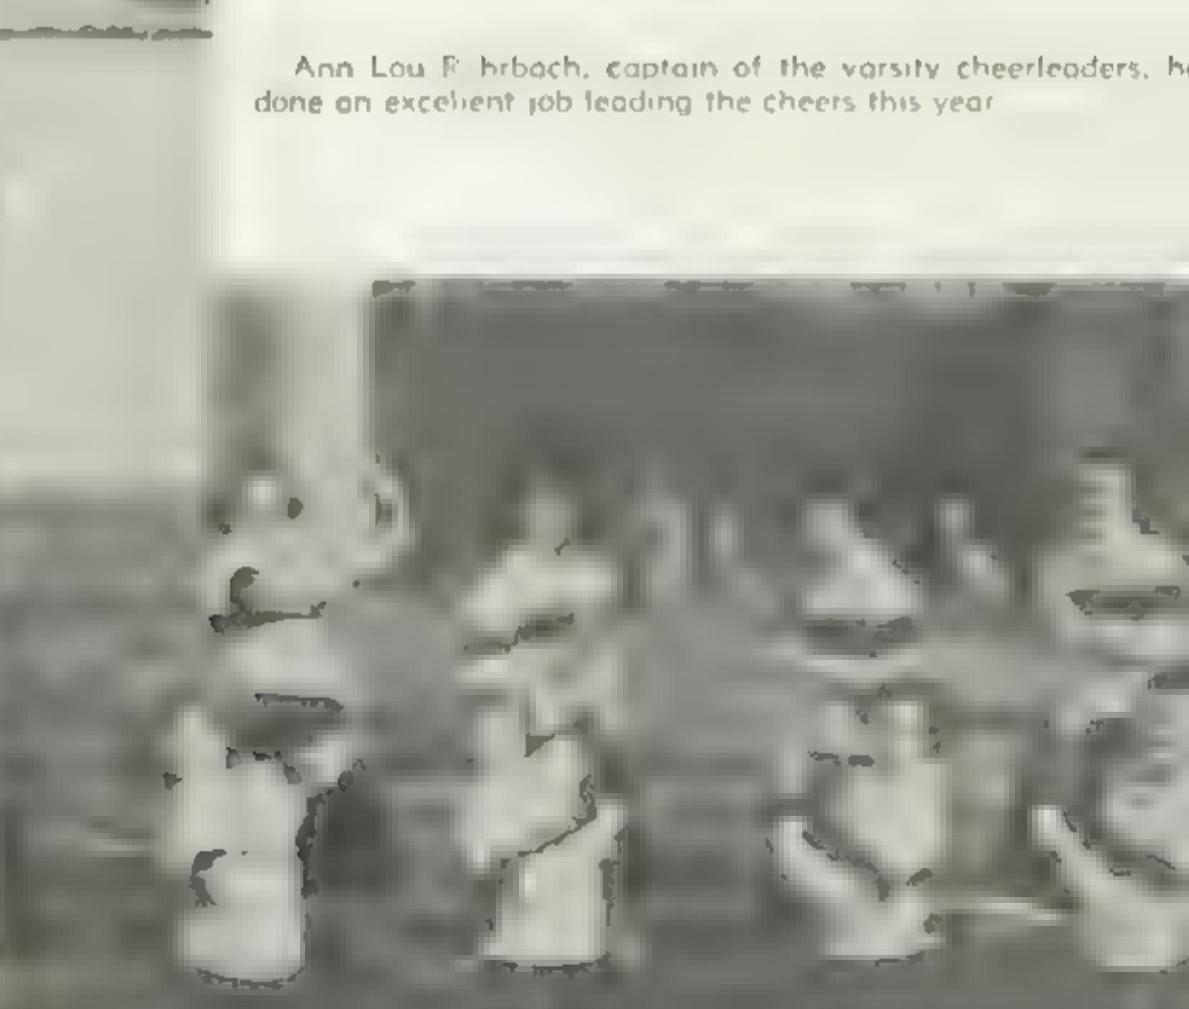

These eight pep leaders faithfully supported our teams throughout our voyage.

Row 1—Ann Lou Rohrbach  
Row 2—Marjorie Bolig, Janis Hart, Ann Zerbe, Barbara Faust, Patricia Steinle, Mary Knox, and Nancy Houser

## HELPERS ON BOARD

Mrs. Detra, cafeteria manager, works out our daily menus.

Mr. Schaefer and Mr. Katzenbach are here to keep us company in the cold winter days.

As the last of us seniors in the class of 1968 graduated from school with the best memories of our school's history we were very fond of our school. Although the years seemed long the waters were not so dangerous but with our guidance through the other side of the boom we were firmly set in hope in the sun. The water and events of the day were always the opposite the sun was bright. And so at the senior prom and Commencement Day we have prepared us to better ourselves for the future when we reembark on the big ship of life.

# OUR NAVIGATORS

## TO OUR SPONSORS:

The class of 1951 wishes to thank you Our Navigators who have so faithfully managed the senior affairs in our voyage. Although there were times when we seemed unappreciative we were really always grateful for your guidance and now we eagerly take this opportunity to say Thank You for everything.

## TO THE CLASS OF 1951:

May success in your goal be attained by the members of the class of 1951! May you be successful in many of the many vocations, businesses or professions you may choose for your life-work but do many a work in your home, church, government and similar institutions.

Education your weapon will be most effective if it is based not solely on a mastery of some physical science or particular skill. A sympathetic understanding of man's relationship to man cutting through the many prejudices of race, nationality, religion and economic status is increasingly important if success is to be attained in our modern world.

Sincerely,

Norman L. Kinschott
